Initiated and edited by Chris Marker (LA JETEE, LE JOLI MAI), and twice shown at the Cannes Film Festival, FAR FROM VIETNAM is the epic 1967 collaboration between the greatest filmmakers of the French New Wave, made to protest America's war in Vietnam. Passionate, as bold in form as it is in rhetoric, FAR FROM VIETNAM – a milestone in the histories of documentary, political, and French cinema – has been fully restored, and is now available on DVD for the first time ever!
